

# AMAZING EINSTEIN-FESTIVAL IN BERN'S EINSTEIN MUSEUM

It was a great experience to participate at the Einstein-Festival @ the Einstein Museum with 3 of my paintings and poems about light speed.

# THE 3 POEMS

## LIGHT SPEED #1

The constancy of the speed of light,  
Radiant **BEAUTY** shines so bright.  
For Einstein it was **mathematical**  
**SIMPLICITY**;  
a harmonious cosmos:  
**BEAUTY & ELEGANCY**

## LIGHT SPEED #2

**LIGHT** through empty space  
travels in a straight line at a **CONSTANT** pace.  
The **SAME** laws of nature apply  
as for a body at rest;  
the **SAME** laws as general relativity unveiled  
that at **any kind of motion** are manifest.

## LIGHT SPEED #3

The **SPEED OF LIGHT**  
**CONSTANT** it is;  
Light moving through empty space  
manifesting **timelessness!**
